

Wire Management Panel

- Provides a neat cable management and improves passive cooling.
- Compatible with 19" enclosure.

Model	Height (U)	W * D * H (mm)
SNPGCM1UF0	1U	483*85*48
SNPGCM1UFR	1U	483*85*92
SNVCM-SNP	1U	1895*165*125

Vertical Cable Management Panel

- Metal Brush panel includes a dense brush strip and can protect cable bundles on cabinet entry.

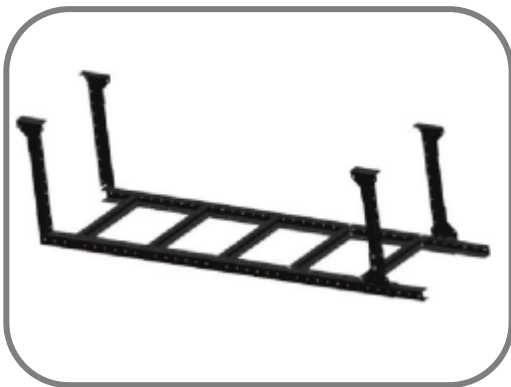

Model	Height (U)	W * D * H (mm)
SNVCM-SNP	1U	1895*165*125

Toolless Mounting Blank Panel

- Toolless Plastic Blank Panel for fast and easy installation. This forces incoming cool air to pass through active components with pull fans already installed in the cabinet.

Model	Height (U)	W * D * H (mm)
SNTPBP1U	1U	483*42*20
SNTPBP2U	2U	483*86*40

Metal Cable Ladder

- The Cable Ladder with adjustable legs can be mounted to the ceiling and wall to allow cable bundles to span in a wide range of applications from indoor to outdoor where high levels of corrosion may exist.

Model	Length (mm)	Width(mm)
SNMCL	1400	400
